

# LCES-2011

Theme: Leading Green Economy, Returning to the Harmony Nature

Time: October 19-26, 2011 Venue: Dalian, China

Date: Mar 21<sup>th</sup>, 2011

## Invitation Letter

Dear Mr. Bo Linton,

On behalf of the organizing committee, we cordially hope you can join us at Low Carbon Earth Summit-2011 (LCES-2011), with a theme of “Leading Green Economy, Returning to the Harmony Nature”, which will be held during October 19-26, 2011 at World Exposition Center, Dalian, China.

As we know your work in this field is a clear example of the leadership, so we would like to highlight your effort at our conference and hope you can give a speech on the topic of “**The Cleanest Electricity on the Planet- Electricity from Low Grade Waste Heat**” at **Track 8-1-14: Cleantech for Heat & Power**

The purpose of LCES-2011 is to provide a world-class meeting place for information exchanges and trade fair for promoting Low Carbon Economy. It will take the form of plenary lectures, oral presentations, posters, exhibitions and project matchmaking; LCES-2011 will support new business development with the opportunity to learn from one another’s experiences in this field, identify ways to play an even more active role in control of global climate change, and seize further green investment opportunities for innovators and entrepreneurs worldwide.

Dalian, as the most beautiful coastal city in northern China, is keen on making great efforts on improving living environment to the mitigation of climate change. As a new champion among China green economy practitioners, Dalian has successfully hosted annual Summer World Economy Forum- Davos twice in 2007 and 2009 correspondingly, which have generated great impact on the development of New Chinese economy model and beyond. With the increasingly demand on knowledge-based economy for designing and building “the Great Dalian”, The coastal city is also expected to be one of largest ideal conference centers in China, which will provide best meeting facilities.

Lastly, we would like to urge you not miss this historical initiation and actively join us with your great passion and contributions. Hope to see you in Dalian, the Romantic Capital, in the golden fall season, and ask you to bring home an unforgettable memory at the upcoming first annual event.

Sincerely Yours,

Ashley Han
